The Arts Council of Appling County is a 501c3 non-profit organization that exists to encourage and stimulate the practice and appreciation of all of the arts by supporting the equality of all individuals to share in creative expression. ACAC presents various cultural performances and experiences that enhance the artistic personality of our community in a way that celebrates uniqueness, diversity and unity. ACAC depends on membership and sponsorship to fulfill its mission and will appreciate your support! Your membership helps us provide community experiences like tonight, our annual play ***In the Pines***, Fall and Spring Art & Handcrafts Shows, Spring Variety Show, and other performances like those slated for the rest of our 2015-2016 season: ***Elaris Duo***, ***A Closer Walk with Patsy Cline***, and the ***Armstrong-Atlantic Wind Ensemble***.
