

Membership Form 2016-2017

The Arts Council of Appling County is a 501c3 non-profit organization that exists to encourage and stimulate the practice and appreciation of all of the arts by supporting the equality of all individuals to share in creative expression. ACAC presents various cultural performances and experiences that enhance the artistic personality of our community in a way that celebrates uniqueness, diversity and unity. We depend on membership and sponsorship to fulfill that mission. **Your tax-deductible donation helps to build our community!** By supporting the Arts Council of Appling County you are helping to make Baxley and Appling County a more exciting, interesting and progressive place to live, work and play. The many events and Arts in Schools programs we have sponsored over the past seventeen years would not have been part of our community's cultural heritage without the support of community members and businesses like you! Together, we are building a better community! **Better for families. Better for children. Better for business.**

Please fill out the form below and return with your donation.

Membership runs September 1 – August 31. Early bird rates available through June 30, 2016.
